2. Officer Reports
 - a. President – ERIKA
 - i. VIN Café at IVECCS - Paul Pion reported that the café was not being as well utilized this year due to Smartphone usage. There is an IVECCS APP now for cell phones. Suggested that perhaps next year we can tap into the APP and get the intern/extern survey to VECCS members that way.

 - b. Vice President – SARAH
 - i. IVECCS – we had a great student turn out. 26 responses to student survey in the VIN café. Should Sarah go through the surveys and make a list of how to address problems and concerns? We want to reach out to the chapters and see how the national board can help the individual chapters.
 - ii. Internship/Externship program – nothing new was added from the VIN survey at IVECCS. Sarah suggested sending an email to VECCS members to see if we can get responses that way. Erika requested Sarah check with Dr. Stamp to see if we can approach them.

 - c. Educational director – ANNE
